## RETROSPECTIVE PREMIUM ENDORSEMENT — ONE YEAR — PLAN D

It is agreed that this endorsement applies to the policies designated in Table I below, subject to the following provisions:

1. **FINAL PREMIUM.** The final premium for such policies is the sum of:

- (a) the premium for the insurance not subject to Plan D, as specified in Table I, computed in accordance with the provisions of such policies, other than this endorsement, and
- (b) the premium for the insurance subject to Plan D, as specified in Table I, hereinafter referred to as the retrospective premium.

2. **RETROSPECTIVE PREMIUM.** The retrospective premium shall be the sum of:

- (a) the basic premiums for each state,
  - (b) the excess loss premiums for each state, and
  - (c) the converted losses for each state,
- each multiplied by the applicable state tax multiplier. The retrospective premium shall be subject to the minimum retrospective premium and to the maximum retrospective premium.

3. **DEFINITION OF TERMS USED IN THE COMPUTATION OF THE RETROSPECTIVE PREMIUM.**

- (a) "Standard premium" means the premium for the insurance subject to Plan D computed in accordance with the provisions of the policies, other than this endorsement and exclusive of the application of any premium discount endorsement.
- (b) "Basic premiums" means the amounts obtained by applying to each portion of the standard premium the basic premium percentage stated in Table II as applicable thereto.
- (c) "Excess loss premiums" means the sum of:
  - (1) the amounts obtained by applying to that portion of the standard premium under workmen's compensation and employers' liability policies for each state for which a factor is entered in the Excess Loss Premium Factors (Workmen's Compensation) column of Table I, the applicable factor times the applicable loss conversion factor,
  - (2) the amounts obtained by applying to that portion of the standard premium for liability insurance under general liability and automobile liability policies, the factor stated in the Excess Loss Premium Factors (Liability) column of Table I, times the applicable loss conversion factor, and
  - (3) the amounts obtained by applying to that portion of the standard premium for automobile physical damage insurance, the factor stated in the Excess Loss Premium Factors (Physical Damage) column of Table I, times the applicable loss conversion factor.
- (d) "Incurred losses" means the sum of:
  - (1) all losses, including medical, actually paid,
  - (2) reserves for unpaid losses as estimated by the company,
  - (3) premiums on bonds paid for by the company in accordance with the provisions of the policies,
  - (4) interest accruing after entry of a judgment against the insured,
  - (5) allocated loss adjustment expenses, and
  - (6) expenses incurred in seeking recovery against a third party

under the insurance subject to Plan D, provided (i) as respects the insurance afforded under any workmen's compensation and employers' liability policy, items (3) and (5) above shall not apply and item (6) shall apply only if recovery is obtained against the third party, and (ii) items (3), (4) and (5) above shall not apply as respects automobile physical damage insurance.
- (e) "Compensation loss limitation," if stated in Table I, means the limit of incurred losses to be included in computing the retrospective premium under the workmen's compensation and employers' liability policies designated in Table I as subject to Plan D, applicable to any state for which a factor is shown in the Excess Loss Premium Factors (Workmen's Compensation) column of Table I, arising out of bodily injury by accident or disease, including death at any time resulting therefrom, sustained by one or more employees in a single accident. For the purpose of this definition, incurred losses arising out of bodily injury by disease, including death at any time resulting therefrom, sustained by any one employee shall be deemed to arise out of a single accident.

If, during the policy period,

- (i) the insured engages in operations in any state for which this policy affords insurance but for which no factor is shown in the Excess Loss Premium Factors (Workmen's Compensation) column of Table I, and
  - (ii) on the date this endorsement becomes applicable with respect to any such additional state, there is a loss limitation with respect to all states specifically insured under the policy and subject to Plan D, and
  - (iii) the insured is eligible to elect such loss limitation in such additional state,
- such loss limitation shall also apply to incurred losses pertaining to such additional state. The excess loss premium factor applicable to such additional state, determined in accordance with the manuals in use by the company, shall be deemed to be entered in Table I.
- (f) "Combined liability loss limitation," if stated in Table I, means the overall limit of incurred losses to be included in computing the retrospective premium for general liability and automobile liability insurance afforded under any policy designated in Table I as subject to Plan D, arising out of a single accident.
  - (g) "Automobile physical damage loss limitation," if stated in Table I, means the limit of incurred losses to be included in computing the retrospective premium for the automobile physical damage insurance afforded under any policy designated in Table I as subject to Plan D, arising out of any one occurrence.
  - (h) "Loss conversion factor" means the factor designated in Table I.
  - (i) "Converted losses" means the incurred losses multiplied by the applicable loss conversion factor.
  - (j) "State tax multiplier" means the applicable factor stated in the State Tax Multiplier Table in Table I.
  - (k) "Minimum retrospective premium" is the amount obtained by the application of the minimum premium percentage stated in Table II to the standard premium.
  - (l) "Maximum retrospective premium" is the amount obtained by the application of the maximum premium percentage stated in Table II to the standard premium.

**4. PAYMENTS AND COMPUTATIONS OF PREMIUM FOR INSURANCE SUBJECT TO PLAN D.**

- (a) **Standard Premium.** The named insured shall pay the standard premium to the company in accordance with the provisions of the policies, other than this endorsement, specifying the manner of premium payment.
- (b) **Retrospective Premium.** A computation of the retrospective premium, based upon incurred losses valued as of a date six months after termination of the policies, shall be made by the company as soon as practicable after such valuation date. The premium so computed shall be the final retrospective premium if (1) all claims have been closed or it is apparent that the retrospective premium will exceed the maximum retrospective premium, and (2) within ninety days from approval of such computation by the organization having jurisdiction, the company, with the agreement of the named insured, requests of such organization that the computation be final.
- If such computation is not final, a further computation of the retrospective premium, based upon incurred losses valued as of a date eighteen months after termination of the policies, shall be made by the company as soon as practicable after such valuation date. Such further computation shall be final unless, within ninety days from approval of such computation by the organization having jurisdiction, the company or the named insured requests of such organization that a further computation be authorized. Any subsequent computations, to be made only at intervals of twelve months, shall each be subject to a similar procedure.
- If the named insured disposes of his entire interest in the operations covered by the policies, or makes an assignment for the benefit of creditors, or is in a legal proceeding reorganized or declared bankrupt or insolvent, and if the retrospective premium as of the date of such change of status is greater than the standard premium for insurance to such date, the company may compute the retrospective premium as of such date, as soon as practicable thereafter.
- After each computation, if the premium thus computed exceeds the premium paid for insurance subject to Plan D, the named insured shall pay the difference to the company; if less, the company shall return the difference to the named insured.

**5. CANCELATION.**

- In the event of cancellation of the policies designated in Table I, the premium for insurance subject to Plan D shall be determined in accordance with the other provisions of this endorsement, provided:
- (a) **Cancellation by the named insured.** In the event of cancellation by the named insured, (1) in computing the basic premiums and excess loss premiums for each state, the standard premium shall be computed at short rates in accordance with the customary short rate table and procedure; the minimum retrospective premium shall be the standard premium so computed; (2) in computing the maximum retrospective premium, the standard premium shall be computed pro rata for the period the policies were in force and then extended pro rata to the normal expiration date of the policies.
- (b) **Cancellation by the company.** In the event of cancellation by the company because of non-payment of premium by the named insured, in computing the maximum retrospective premium, the standard premium shall be computed pro rata for the period the policies were in force and then extended pro rata to the normal expiration date of the policies.
- (c) **Cancellation of part of the named insured's operations.** In the event of cancellation of insurance on a part of the named insured's operations the retrospective premium shall be computed in accordance with the rules of Retrospective Rating Plan D which were in effect upon the effective date of the policies.

#### CONDITIONS

##### 1. Underlying Insurance

It is agreed that this policy, except as stated, is subject to all conditions, agreements and limitations of, except as provided herein, and shall follow the Primary Insurance in all respects, including changes by endorsement and the Insured shall furnish the Company with copies of such changes. It is further agreed should any alteration be made in the premium for the policy/ies of the Primary Insurers during the period of this Policy, then the premium hereon other than the Minimum Premium shall be adjusted accordingly. Copies of audits of premiums earned under the Primary Insurance shall also be given to the Company insofar as such audits relate to the premium for this certificate.

2. Maintenance of Underlying Insurance

It is warranted by the Insured that the policy or policies referred to in Item 4 of the Declarations including renewal or replacement, thereof, shall be maintained in full effect during the period of this policy except for any reduction of the aggregate limits contained therein solely by payment of claims for occurrences which take place during this policy period. In the event there is no recovery available to the Insured as a result of insolvency of the underlying insurer or by reason of the Insured having breached the contract of underlying insurance, the coverage hereunder shall apply in excess of the applicable limit of liability as set out in the schedule of underlying insurance.

3. Notice of Loss

Whenever the Insured has information from which the Insured may reasonably conclude that an occurrence covered hereunder is likely to involve this policy, notice shall be sent to the Company as soon as practicable. Such notice shall contain particulars sufficient to identify the Insured and also reasonably obtainable information respecting the time, place and circumstances of the occurrence.

4. Assistance and Cooperation

The Company shall not be called upon to assume charge of the settlement or defense of any claims made, or suits brought or proceedings instituted against the Insured but the Company shall have the right and shall be given the opportunity to associate with the Insured or the Insured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding where the claim or suit involves or appears reasonably likely to involve the Company, in which event the Insured and the Company shall cooperate in all things in the defense of such claim, suit or proceeding.

5. Appeals

In the event the Insured's underlying insurer/s elect not to appeal a judgment in excess of the underlying limits, the Company may elect to make such appeal at its cost and expense, and shall be liable for the taxable costs, disbursements and interest incidental thereto, but in no event shall the liability of the Company exceed the limit set forth in the Declarations under Item 6, Section I and in addition the cost and expense of such appeal.

6. Limit of Liability

With respect to each coverage in Item 6, Section I of the Declarations, the Bodily Injury limit applicable to each accident is subject to the limit specified as applicable to each person. There is no limit to the number of accidents for which claims may be brought hereunder (provided such accidents occur during the period of this policy) except as provided by aggregate limits which, with respect to Item 6, Section I, when inserted therein apply to all accidents happening during each consecutive twelve months of the Policy period.

7. Subrogation

All salvages, recoveries or payments recovered or received subsequent to a loss settlement under the Policy shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall then be made between the Insured and the Company, provided always that nothing in this Policy shall be construed to mean that losses under this Policy are not recoverable until the Insured's ultimate net loss has been finally ascertained.

8. Cancellation

This policy may be canceled by the Insured by surrender thereof to the Company or any of its authorized agents, or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This policy may be canceled by the Company by mailing to the Insured at the address shown in this policy written notice stating when, not less than thirty (30) days thereafter, such cancellation shall be effective, it being agreed, however, that in the event of cancellation or termination of the Primary Insurance or any renewal thereof, or any insurance afforded thereunder, this policy to the extent of such cancellation or termination, shall cease to apply at the same time without notice to the Insured. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of the surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such notice either by the Insured or by the Company shall be equivalent to mailing.

If the Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable thereafter, but payment or tender of unearned premium is not a condition of cancellation.

IN WITNESS WHEREOF, the COMPANY has caused this policy to be signed by a Vice President and a Secretary at New York, New York and countersigned on the Declarations page attached hereto, by a duly authorized representative of the Company.

Conditions (Contd.)  
5. LIMITS OF LIABILITY — Products

Subject to the limit of liability with respect to "each accident", the limits of bodily injury liability and property damage liability stated in the declarations as "aggregate products" are respectively the total limits of the company's liability for all damages arising out of the products hazard. All such damages arising out of one lot of goods or products prepared or acquired by the named insured or by another trading under his name shall be considered as arising out of one accident.

6. LIMITS OF LIABILITY — Coverage B

The limit of property damage liability stated in the declarations as applicable to "each accident" is the total limit of the company's liability for all damages arising out of injury to or destruction of all property of one or more persons or organizations, including the loss of use thereof, as the result of any one accident.

Subject to the limit of liability with respect to "each accident", the limit of property damage liability stated in the declarations as "aggregate operations" is the total limit of the company's liability for all damages arising out of injury to or destruction of property, including the loss of use thereof, caused by the ownership, maintenance or use of premises or operations rated on a remuneration premium basis or by contractors' equipment rated on a receipt premium basis.

Subject to the limit of liability with respect to "each accident", the limit of property damage liability stated in the declarations as "aggregate protective" is the total limit of the company's liability for all damages arising out of injury to or destruction of property, including the loss of use thereof, caused by operations performed for the named insured by independent contractors or general supervision thereof by the named insured, except (a) maintenance and repairs at premises owned by or rented to the named insured and (b) structural alterations at such premises which do not involve changing the size of or moving buildings or other structures.

Subject to the limit of liability with respect to "each accident", the limit of property damage liability stated in the declarations as "aggregate contractual" is the total limit of the company's liability for all damages arising out of injury to or destruction of property, including the loss of use thereof, with respect to liability assumed by the insured under contracts covered by this policy in connection with operations for which there is an "aggregate operations" limit of property damage liability stated in the declarations.

The limits of property damage liability stated in the declarations as "aggregate operations", "aggregate protective" and "aggregate contractual" apply separately to each project with respect to operations being performed away from premises owned by or rented to the named insured.

7. SEVERABILITY OF INTERESTS

The term "the insured" is used severally and not collectively, but the inclusion herein of more than one insured shall not operate to increase the limits of the company's liability.

8. NOTICE OF ACCIDENT

When an accident occurs written notice shall be given by or on behalf of the insured to the company or any of its authorized agents as soon as practicable. Such notice shall contain particulars sufficient to identify the insured and also reasonably obtainable information respecting the time, place and circumstances of the accident, the names and addresses of the injured and of available witnesses.

9. NOTICE OF CLAIM OR SUIT

If claim is made or suit is brought against the insured, the insured shall immediately forward to the company every demand, notice, summons or other process received by him or his representative.

10. ASSISTANCE AND COOPERATION OF THE INSURED

The insured shall cooperate with the company and, upon the company's request, shall attend hearings and trials and shall assist in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of suits. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for such immediate medical and surgical relief to others as shall be imperative at the time of accident.

11. ACTION AGAINST COMPANY

No action shall lie against the company unless, as a condition precedent thereto, the insured shall have fully complied with all the terms of this policy, nor until the amount of the insured's obligation

to pay shall have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant and the company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. Nothing contained in this policy shall give any person or organization any right to join the company as a co-defendant in any action against the insured to determine the insured's liability.

Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any of its obligations hereunder.

12. OTHER INSURANCE

If the insured has other insurance against a loss covered by this policy the company shall not be liable under this policy for a greater proportion of such loss than the applicable limit of liability stated in the declarations bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

13. SUBROGATION

In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

14. THREE YEAR POLICY

A policy period of three years is comprised of three consecutive annual periods. Computation and adjustment of earned premium shall be made at the end of each annual period. Aggregate limits of liability as stated in this policy shall apply separately to each annual period.

15. CHANGES

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy, signed by a duly authorized representative of the company.

16. ASSIGNMENT

Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; if, however, the named insured shall die, this policy shall cover the named insured's legal representative as named insured; provided that notice of cancellation addressed to the insured named in the declarations and mailed to the address shown in this policy shall be sufficient notice to effect cancellation of this policy.

17. CANCELLATION

This policy may be canceled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be canceled by the company by mailing to the named insured at the address shown in this policy written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of the surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

18. DECLARATIONS

By acceptance of this policy the named insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the company or any of its agents relating to this insurance.

In Witness Whereof, the company has caused this policy to be executed and attested, but this policy shall not be valid unless countersigned on the declarations page by a duly authorized representative of the company.
